2-15-2022 Letter from Defendant
Cantwell to the Court

Dear Judge Moon,

On February 15th I asked
Case Manager Simpkins to electronically
deliver my February 10th letter
to the Court. Mr. Simpkins said he
could no longer assist me in this
way, and I would be limited to
using postal mail.

I had previously moved that the
Court enjoin the BOP from delaying
my time sensitive communications with
the Court. Judge Hoppe denied the
motion as moot after your order
granting me leave to file electronically.

The government has not been subtle
in their interference with this litigation.
Mail is held for weeks sometimes and even
when documents are "delivered" my access
to them is absurdly limited.

I hope the Court will reconsider my
motion to delay deadlines by 12 months

Respectfully Submitted, Christopher Cantwell
